**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Our local sonic fiber internet is faster, cheaper, and more reliable than the major telcos (like XFINITY). Their customer service is also superior.

Sonic provides 1000gbps internet for the same cost that xfinity charges for 60gbps. When I switched I was paying \$20 MORE a month for FOUR times slower internet. This competition is good.

Do not limit competition!

Say NO to price hikes that will increase the cost of internet and telephone services.
